Scholarship Application

Student scholarships are awarded based on both financial need and past academic history. To receive consideration, you must have enrolled for a minimum of three courses at ACTS. Scholarships are contingent upon availability of funds and ACTS reserves the right to withdraw Scholarships.

It is the responsibility of students to fund their studies at ACTS, scholarship does not take away this responsibility. Scholarship awards are non-transferable, and must be used for the module it is awarded for. Any changes are subject to further review. Scholarship recipients must maintain a minimum grade point average of 3.00 and full time. Failure to do so will result in a loss of award.
